Project Title: Willow Creek Road 2nd Bridge Area Fish Passage Project

Project Location (include county): The project is located on lower Willow Creek Road in Sonoma County approximately two miles southeast of the community of Jenner.

Project Description:

The California Department of Parks and Recreation proposes to replace six channel-constraining culverts with a single-span, precast concrete bridge. The purposes of the project are to support channel formation and maintenance processes, to remove a significant barrier to fish passage, and to improve public access.

This is to advise that the California Department of Parks and Recreation has approved the above described project on March 22, 2010 and has made the following determinations regarding the above described project:
